

# LA County Homeless Initiative

## Real **Help.** Lasting **Change.**

Family Solution Centers in Los Angeles County are providing direct connections to mental health, substance use, and education services for homeless families and those at risk of homelessness.

Measure H on the March 7 ballot would provide about \$355 million annually through a ¼-cent sales tax to help continue proven strategies of the County's ongoing Homeless Initiative, including helping more families and preventing and reducing homelessness in L.A. County.
